Join: Step 1

Create a Shareasale.com Account

First, you will need to create an account with shareasale.com, the website that tracks sales and issues your commission payments to you. It is a simple, five-step signup process. Visit www.shareasale.com/news/signup.cfm. After you submit your application, expect approval in 1–2 business days.

At the end of the process, you will be asked to accept the terms of agreement. We highly encourage you to read the document, but want to highlight a few points in the agreement:

- The terms of the agreement are those of shareasale.com, not Rhinestones Unlimited or DIYSparkle.com.
- Commissions are paid on the 20th of each month, provided your account has at least \$50 in commissions. If your account does not have \$50 in commissions, the amount will carry over to the next month(s).
- Your account will be considered abandoned after 6 months if you do not, at a minimum, log into your shareasale.com account.
- If product is returned, your commission will be reduced.
